9. Required for Each Place of Business. An Annual Business License shall be obtained for each place of Business within Beaver Creek regardless of whether the Business conducted therein is a separate Business or a branch, division or agency of a licensed Business situated at another location in Beaver Creek.
  10. Administration. The administration of the Annual Business Licenses required by this regulation shall be vested in the Resort Company or such officer or employee of the Resort Company (or any entity engaged to manage the Resort Company) as the Resort Company shall designate from time to time (the "licensing agent"), who is authorized to do the following:
    - 10.1 Collect license fees and issue receipts therefore;
    - 10.2 Adopt all forms and prescribe the information to be given therein;

- 10.3 Promulgate and enforce all reasonable rules and regulations necessary to the operation and enforcement of this chapter;
  - 10.4 Investigate and determine the eligibility of each applicant for an Annual Business License; and
  - 10.5 With respect to any Outside Purveyor, the Resort Company may (but shall not be required to) estimate the Civic Assessment which such Outside Purveyor would pay during the License Year if it were an owner of property subject to the civic assessment of the Resort Company, and collect such amount (in addition to the License Fee) at the time of issuing an Annual Business License to such Outside Purveyor. As long as such estimate is made in good faith and the Resort Company has not been misled in making such estimate, any Outside Purveyor receiving an Annual Business License under this Subsection 10.5 shall not be liable for any Civic Assessment in excess of such estimate. Moreover, no Outside Purveyor receiving an Annual Business License pursuant to this Subsection 10.5 shall be entitled to any refund of any estimated Civic Assessment paid hereunder.
11. Denial.
- 11.1 An application for an Annual Business License will be denied by the Resort Company or the licensing agent only in the event the Business or Person sought to be licensed (a) is an unlawful Business or the Person applying for the license is not qualified or licensed to engage in such Business under applicable law; (b) has had an Annual Business License revoked for cause at any time within the three calendar years preceding the date of application; (c) is not in good standing under the laws of the State of Colorado on the date of application; (d) has engaged in a prior violation of any of the Rules and Regulations of the Resort Company; or (e) is an Outside Purveyor seeking to engage in a Business which uses as its Premises property in which the Resort Company owns an exclusive easement and which, therefore, is property over which the Resort Company has discretion as to whether to allow a business use of the property.
  - 11.2 In the event an application is denied, the Resort Company or the licensing agent shall deliver to the applicant a written order of denial which states the reasons therefore, together with a refund of the license fee submitted with the application.
12. Revenue Disposition. The license fees collected by the Resort Company or the licensing agent under this regulation shall be general revenues which shall be credited to the general funds of the Resort Company.
13. Exemption - Filing Date. Any Person claiming exemption from the provisions of this regulation shall file a notice of exemption, on such form as the Resort Company or the licensing agent may prescribe, with the Resort Company or the licensing agent on or before January 31 of each License Year for any Business in operation prior to that date, or otherwise file notice prior to the commencement of Business activity in each year.
14. Enforcement. The Resort Company may seek an injunction to restrain a Person from engaging in Business within Beaver Creek who does not obtain an Annual Business License under this chapter or whose license is revoked or suspended, and this remedy shall be in addition to all other remedies prescribed in this regulation or available at law or otherwise.

15. Violation - Penalty. Any Person who violates a provision of this regulation shall be in violation of the Rules and Regulations of the Resort Company, and shall be subject to a fine by the Resort Company of up to \$500 for each day of each violation, subject, however, to the right of the Resort Company to waive or reduce any such fine for reasonable cause. Said fine may be imposed and collected by the Resort Company directly, or through the Resort Company's Security Department. Prior to the imposition of any fine or other penalty, the violator shall be provided, by personal delivery, certified mail, or electronically, with a written notice of such fine or penalty which states the nature of the violation. A copy of said notice shall also be delivered to the Executive Director of the Resort Company and the Beaver Creek Merchant's Association. Any Person who violates a provision of this regulation shall also be subject to the suspension or revocation of vehicle access authorization as described in the Beaver Creek Metropolitan District Rules of the Road.
