SUPPLEMENTAL DECLARATION OF LAND USE RESTRICTIONS

Pertaining to Tract D Beaver Creek Subdivision Second Filing

I. INTRODUCTION & PURPOSE

1.1 This Supplemental Declaration (a) is filed pursuant to paragraph 7.2 of the Amended and Restated General Declaration for Beaver Creek (the "Declaration") recorded December 27, 1979 in Book 296 at Page 446 of the real property records of Eagle County, Colorado, and (b) affects only Tract D of Beaver Creek Subdivision Second Filing, according to the Amended Plat (as hereinafter defined) and any amendments thereto (the "Affected Property").

1.2 The purposes of this Supplemental Declaration are to set forth additional limitations and restrictions with respect to the use, density and design of improvements on the Affected Property in order to preserve the natural beauty of Beaver Creek and its setting, to maintain Beaver Creek as a pleasant and desirable environment, to establish and preserve a harmonious design for the community, and to protect and promote the value of the Affected Property.

II. DEFINITIONS

2.1 "Living Unit" shall mean one or more rooms designed for or which may readily be occupied exclusively by one family or group of people living independently from any other family or group of people, and having not more than one Cooking Facility.

2.2 "Cooking Facility" shall mean fixtures and equipment for food storage and preparation of meals, including at least a sink, oven and refrigerator.

2.3 "Amended Plat" shall mean the First Amendment, Beaver Creek Subdivision, Second Filing—Tracts D, K, L and a part of Tract J (Block 1) recorded in the real property records of Eagle County, Colorado.

2.4 "Building Improvements" shall mean any material improvement of any of the Affected Property including but not limited to landscaping, site preparation, paving, fencing, building construction, exterior changes, or interior changes which would change the use of any interior space to an unauthorized use.

2.5 "Lot" shall mean each condominium unit established as a result of the recording of approved condominium declarations pursuant to paragraph 4.4.

2.6 Other capitalized terms used herein shall have the meanings set forth in the Declaration or in this Supplemental Declaration.

III. LIMITATION ON BUILDING IMPROVEMENTS

3.1 The Affected Property has been designated "Residential Medium Density" in the Amended Plat, and is hereinafter sometimes referred to as "RMD." No Building Improvement may be constructed, operated or maintained on the Affected Property except a Building Improvement which:

- (a) **Living Units.** is a condominium project which contains a number of Living Units (not to exceed 90 Living Units) equal to the maximum number of Living Units which may be constructed upon the Affected Property. The building structure built on the Affected Property shall not occupy more than 30% of the total number of square feet in the Affected Property.
- (b) **Amenities.** contains the following amenities: (i) a front desk area capable of serving the reasonable management and administrative needs of the entire condominium project, including but not limited to check-in, check-out facilities, telephone and mail facilities and advance reservation facilities; (ii) meeting rooms; (iii) at least one recreation room, including suitable recreational facilities; and (iv) at least two first-class tennis courts. At least 3,000 square feet of Building Improvement shall be included within items (i), (ii), and (iii).

- (c) **Building Height.** has a building height of no more than 35 feet except for architectural features such as towers or steeples which are specifically authorized in writing by the Review Board. The building height shall be determined by measuring the vertical distance from the finished grade at the midpoint between the front and rear walls of a building to the top of a flat roof or mansard roof or to the midpoint between the eave line and peak of a gable, gambrel, hip, shed or similiar pitched roof, and measured to a slope not to exceed 24:12. For complex structures, building heights shall be determined by computing the average height around the perimeter of the building. This average height shall be determined by measuring from the finished grade to the roof line as defined previously, at a series of points at regular intervals around the building. No owner of the Affected Property shall significantly increase the finished grade of such lot without the prior written approval of the Resort Company.
- (d) **Classification.** meets the standards of a Type C condominium as set forth in the Design Regulations as presently in force and effect, except as otherwise authorized by the Design Review Board.
- (e) **Review Board Approval.** has received prior written approval of the Review Board, which approval must cover all aspects of the Building Improvement including but not limited to approval of garages, parking areas, service areas for garbage, trash, utilities and maintenance facilities, fences, walls, driveways, landscaping improvements, swimming pools, hot tubs, tennis courts and solar devices.

3.2 Each Owner of the Affected Property (or any Lot therein) agrees that he will not apply to Eagle County, Colorado, or any other governmental authority for permission to construct any Building Improvement on such Affected Property (or Lot) other than those permitted by this Article III, without the prior express written authorization of Resort Company and Declarant.

IV. USE OF RESTRICTED LOTS

4.1 The Affected Property may not be used for any purpose or

purposes unless a Permit for such use has been issued by the Resort Company pursuant to Paragraph 4.2, except:

- (a) The residential condominium units built on the Affected Property may be used for residential purposes and for rental purposes for short or long term rentals of guests and for all normal purposes associated with such uses.
- (b) The amenities specified in Paragraph 3.1(b) may be used in any manner consistent with the normal uses indicated for such amenities.
- (c) The unimproved portions of the Affected Property may be used for any recreational purposes subject to such reasonable rules and regulations that may be established from time to time by the Resort Company.

4.2 Each Permit issued by the Resort Company pursuant to Paragraph 4.1 shall only be issued upon the written request of all of the Owners of the Affected Property for which the Permit is being requested, unless such permit pertains only to a particular Lot or Lots, in which case the request shall be made by all of the Owners of such Lot or Lots, and shall (a) specify the portion of the Affected Property to which it pertains, (b) identify each use permitted on the Affected Property and the area within the Affected Property or any structure at which such use can be carried out, and (c) be signed by the president or any vice-president of the Resort Company. Such Permits may be amended only at the request of all of the Owners of the portion of the Affected Property to which the Permit pertains and may be revoked or suspended only for "cause" and after notice to all of the Owners of the Affected Property and a hearing held in accordance with Article V hereof. Notwithstanding the foregoing, once the Affected Property has been subjected to a condominium declaration which has been approved pursuant to Paragraph 4.4, request for Permits may be made by the Owners of more than 50% of the Lots within the Affected Property.

4.3 No Owner of the Affected Property or any Lot therein may apply to Eagle County, Colorado, or any governmental jurisdiction to change the zoning applicable to the Affected Property or any Lot therein, or to subdivide the Affected Property or any Lot therein, without the prior written approval of the Resort Company and the Declarant.

4.4 No Owner of the Affected Property or any part thereof shall dedicate or submit such Affected Property or any part thereof to a condominium form of ownership without the specific prior written approval of the Resort Company and the Declarant. Such approval shall be evidenced by a permit signed by the president or a vice president of the Resort Company identifying the portion of the Affected Property upon which the condominiums may be constructed and maintained and specifying the number of condominiums which may be constructed and maintained on the Affected Property. Such permit may be revoked or suspended only for "cause" in accordance with the procedures set forth in Article V hereof.

V. PERMIT REVOCATION PROCEDURES

5.1 The Resort Company may revoke or suspend a Permit granted pursuant to Paragraph 3.2, 4.3 or 4.4 hereof, or a portion of such Permit, for cause at any time by following the procedures set forth in Paragraphs 5.2, 5.3 and 5.4 hereof. For purposes of this Supplemental Declaration, "cause" shall mean (a) any material violation of the Declaration, these Supplemental Declarations, the Design Regulations, or any other rules or regulations issued by the Resort Company which violation continues for a period of at least 30 days after written notice of such violation has been given to all of the Owners of the Affected Property upon which such violation has occurred; or (b) any material violation of the laws, rules, requirements, orders, directions, ordinances and regulations of the United States of America, the State of Colorado, Eagle County, Colorado, or any municipality governing the Affected Property or appurtenances or any part thereof, and of all their departments, bureaus or officials, whether such requirements relate to (i) structural or other alterations, changes, additions or improvements, or (ii) repairs, inside or outside, ordinary or extraordinary, or (iii) the manner in which the Affected Property may be used or occupied, or (iv) any other matter affecting the Affected Property.

5.2 A proceeding to revoke or suspend a Permit may be initiated only by the president or any vice president of the Resort Company filing a written request for revocation or suspension with the secretary of the Resort Company.

5.3 The hearing shall be held before the board of directors of the Resort Company, whose decision shall be based upon the evidence presented to them at the hearing. The affirmative vote of a majority of the

directors of the Resort Company then in office shall be required to revoke or suspend a Permit.

5.4 The board of directors may vote to revoke or suspend a permit or a specified portion of a permit if they find that "cause" for such suspension or revocation exists or existed. A Permit may be suspended for any reasonable period established by the board, or until the violation which resulted in the suspension has been cured. At the hearing, evidence may be presented by any interested party including but not limited to the Resort Company's staff, the Review Board and its staff, the Owner or any Lessee or Sublessee of the Affected Property for which the subject permit has been issued, and any member of the Resort Company. A transcript of the hearing shall be taken and made available to the Owner or any Lessee or Sublessee affected by the action of the board of directors with respect to such matter. The rules of evidence shall not apply to hearings held pursuant to this Article V.

VI. BUILDING GUIDELINES

6.1 All Building Improvements on the Affected Property must be built strictly in accordance with the provisions of the Design Guidelines adopted by the Review Board.

6.2 By acquiring any interest in the Affected Property, the Owner of such interest consents to and accepts the authority of the Review Board to review and approve the plans and specifications for any Building Improvement in accordance with the Design Guidelines in effect from time to time. In particular, such Owner recognizes that certain of the judgements which will be made by the Review Board are subjective in nature, and such Owner agrees not to contest such subjective judgments unless they are made in bad faith or in an arbitrary and capricious manner.

VII. MISCELLANEOUS

7.1 Each provision contained in this Supplemental Declaration which is subject to the laws or rules sometimes referred to as the rule against perpetuities or the rule prohibiting unreasonable restraints on alienation shall continue and remain in full force and effect for the period of 21 years following the death of the survivor of Jack Marshall, Jack Acuff and Robert

W. Parker, of Vail, Colorado, and the now living children of said persons, or until this Supplemental Declaration is terminated as hereinafter provided, whichever first occurs. All other provisions contained in this Supplemental Declaration shall continue and remain in full force and effect until January 1 in the year 2000 A.D., and thereafter for successive periods of 10 years each; unless at least 1 year prior to January 1, 2000 A.D., or at least 1 year prior to the expiration of any such 10 year period of extended duration, this Supplemental Declaration is terminated by recorded instrument, directing termination, signed by the Declarant and the Mountain Special Member and the Resort Company upon the Affirmative Vote of a Majority of the Classes (as that term is defined in the Articles of Incorporation of the Resort Company).

7.2 Any provision contained in this Supplemental Declaration may be amended or repealed as follows: (a) until the Affected Property is subjected to a condominium declaration which has been approved pursuant to Paragraph 4.4, by the affirmative vote of all the Owners of a fee simple interest in the Affected Property and the written approval of the Resort Company and Declarant, and (b) after the Affected Property has been subjected to a condominium declaration which has been approved pursuant to Paragraph 4.4, then the affirmative vote of the Owners of Lots within the Affected Property owning at least one-half of the Lots within the Affected Property, and the written approval of the Resort Company and the Declarant. Such amendment or repeal shall be evidenced by the recording of a written instrument or instruments specifying the amendment or the repeal, executed by at least the required number of Owners, and by the Declarant and the Resort Company.

7.3 Each provision of this Supplemental Declaration, and a promise, covenant and undertaking to comply with each such provision, (i) shall be deemed incorporated in each deed or other instrument by which any right, title or interest in any of the Affected Property is granted, devised or conveyed, (ii) shall by virtue of acceptance of any right, title or interest in any of the Affected Property by an Owner, be deemed accepted, ratified, adopted and declared as a personal covenant of such Owner and shall be binding on such Owner or his respective heirs, personal representatives, successors or assigns, to, with and for the benefit of the Resort Company and the Declarant, and (iii) shall be deemed a covenant, obligation and restriction secured by a lien binding, burdening and encumbering the title to all of such Owner's right, title and interest to any of the Affected Property, which lien shall be deemed a lien in favor of the Resort Company and

Declarant, jointly and severally, as their respective interests may appear.

7.4 Each provision of this Supplemental Declaration with respect to an Owner may be enforced by Declarant or the Resort Company by a proceeding for prohibitive or mandatory injunction or by a suit or action to recover damages or, in the discretion of the Resort Company, for so long as such Owner fails to comply with any of such provisions, by exclusion of such Owner and such Owner's Lessees and Guests from use of any Facility and from enjoyment of any Function. If court proceedings are instituted in connection with the rights of enforcement or remedies provided in this Supplemental Declaration, the prevailing party shall be entitled to recover its costs and expenses in connection therewith, including reasonable attorneys' fees.

7.5 No violation or breach of, or failure to comply with, any provision of this Supplemental Declaration and no action to enforce any such provision shall affect, defeat, render invalid or impair the lien of any mortgage, deed of trust or other lien on any property taken in good faith and for value and perfected by recording in the office of the Clerk and Recorder of Eagle County, Colorado, prior to the time of recording in said office of an instrument describing such property and listing the name or names of the owner or owners of fee simple title to the property and giving notice of such violation, breach or failure to comply; nor shall such violation, breach, failure to comply or action to enforce affect, defeat, render invalid or impair the title or interest of the holder of any such mortgage, deed of trust, or other lien or title or interest acquired by any purchaser upon foreclosure of any such mortgage, deed of trust or other lien or result in any liability, personal or otherwise, of any such holder or purchaser. Any such purchaser on foreclosure shall, however, take subject to this Supplemental Declaration with the exception of violations or breaches of, or failures to comply with, any provisions of this Supplemental Declaration which occurred prior to the vesting of fee simple title in such purchaser shall not be deemed breaches or violations hereof or failures to comply herewith with respect to such purchaser, his heirs, personal representatives, successors or assigns.

7.6 Neither Declarant, the Resort Company, the Review Board, the board of directors of the Resort Company nor any member, agent or employee of any of the same shall be liable to any party for any action or for any failure to act with respect to any matter if the action taken or failure to act was in good faith and without malice.
