

FIREFALL

Lead guitarist and vocalist Jock Bartley founded Firefall in Boulder, Colorado, in 1974, along with two other refugees from the legendary Graham Parsons band.

Firefall's layered harmonies backed by driving rhythms that transcend many genres from rock to country brought them Platinum and Gold Album and Single success with hits like "You Are The Woman," "Strange Way," and "Just Remember I Love You." Other major Firefall radio hits include "Cinderella," "Goodbye I Love You," "Livin' Ain't Livin'" and "Mexico."

Firefall hit the road and never looked back, including extensive tours with Fleetwood Mac, The Doobie Brothers, Chicago, America, and many others. In recent years, their legendary headline shows have been mixed with package tours with Little River Band, Night Ranger, Pure Prairie League, Orleans, and more.

Jock Bartley (lead guitar and vocals) is joined on stage by longtime Firefall members Steve Weinmeister (guitar, mandolin, keyboards, and vocals), Jim Waddell (keyboards, flute, saxophone), Sandy Fica (drums), and newcomer John Bisaha from The Babys (bass and vocals).

In the Fall of 2023, the band will release "Friends & Family on Sunset Blvd Records, backed by a major promotional campaign.

This unique 'concept' album features new versions of classic songs by artists that are part of Firefall's rich history, including groups that the founding members played in or that Firefall toured with, including The Byrds, Flying Burrito Bros., Spirit, Dan Fogelberg, Heart, Gram Parsons, Poco, the Doobie Bros., Loggins & Messina, Fleetwood Mac, Lynyrd Skynyrd, and Marshall Tucker.
