

Linking a Current Registration

If you have established short-term rental (STR) permits, you can connect those permits to your new account in the STR Portal! To link those permits, click “Link an Existing Short-Term Rental Permit” on the home tab, or “Connect an Existing Registration” on the Dashboard tab.

You will be brought to a form to enter the email address associated with those permits. Once you've entered your email address, you'll receive a verification code.

Enter the code in the PIN box, click "Submit PIN," then click "Submit."
